Clear the clutter, find your focus.™

Since 2008, Jodi Granok, CPO®, MSW, has helped hundreds of overwhelmed individuals reduce clutter, improve productivity, and create systems that actually work, specializing in helping people with ADHD.

Audiences appreciate Jodi's relatable humor, interactive teaching style, and practical organizing strategies they can begin using immediately.

"Jodi is hilarious and very easy-going. She did a great job capturing the audience's attention. The best part of the presentation was Jodi's personality and relatability. All the information in her talk was very useful. I liked that it was informative but not overwhelming. I loved every second of it. I was so inspired; I immediately went home and organized my craft stuff!" ~ Sarah, St. Louis

Make Your Next Group Meeting "Magical!"

Jodi has a wide variety of in-person and online organizing presentations. Sample topics include:

- How to Get and Stay Organized
- Organizing Mantras to Use Before, During, and After a Project
- Time Management Tips and Tricks (fix prioritizing problems, avoid over-commitment, prevent procrastination)
- Organizing Mail, Email, and Paperwork
- Organizing and Downsizing
- Organize Your Bedroom and Bathroom for Suite Success
- Declutter Your Kitchen
- Less Holiday Stress, More Holiday Joy!
- Tackling the Toy Situation
- Succeed at School (for teens and parents - organizing school paperwork, backpacks, lockers, time management skills)

"I got so many little tidbits of helpful tips that I can implement immediately without feeling overwhelmed. You are amazing, and your voice is so pleasing!" ~ Elena, St. Ann

"Thank you for the opportunity to learn and participate. You were very informative, insightful, and engaging. I feel like I've walked away with some wonderful new tools to help me kick the clutter!" ~ Jennifer, Creve Coeur

"Jodi was informative and engaging. I appreciated her approach to the topic, which was one of compassion and openness. Knowing that she works with neurodivergent clients made me feel more receptive to her advice. It was different than the usual suggestions that I could find with a Google search. She had a great set of tips, and I found them appealing." ~ Amy, Union
